ASSISTED LIVING . MEMORY CARE . INDEPENDENT LIVING

We can't believe how quickly things are progressing at Traditions at North Bend. Here's what we've been up to as our beautiful community takes shape!

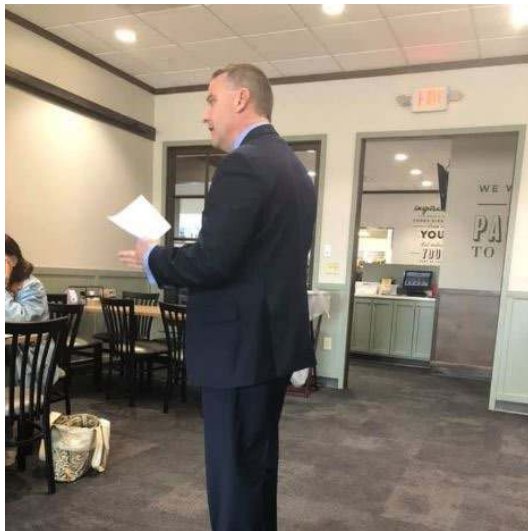

Our Team

Help us welcome our Executive Director, Debra Oaks! Deb attended Ohio University and Northern Kentucky University graduating with a degree in social work and a minor in education. She has spent over 20 years working with seniors.

"My career has provided me with a vast knowledge and understanding of the needs of our seniors. I also rely on my experience with the Council on Aging, skilled nursing, hospice, geriatric psych and leadership roles within senior living communities. My goal is to treat every resident as I would my parents and to provide families with support. After the death of my parents, being part of a senior living community fills a void in my heart and gives me true joy."

Lisa is our Community Relations Director! She's a recipient of the Circle of Excellence and Platinum Senior Living awards and is a lifelong resident of the Cincinnati area. Lisa began her long career in senior living as an activity director, and has had the benefit of having two family members live as residents in her communities until their passings. "I've known for a long time I wanted to work with seniors to help improve their quality of life, their health and to make them feel welcome and less isolated. I remember a very timid widow who came to look at an independent living apartment. She was really nervous about making a move, until she saw that the apartment bore the number of her husband's badge. He was a career policeman. She said even now that Bill was protecting her."

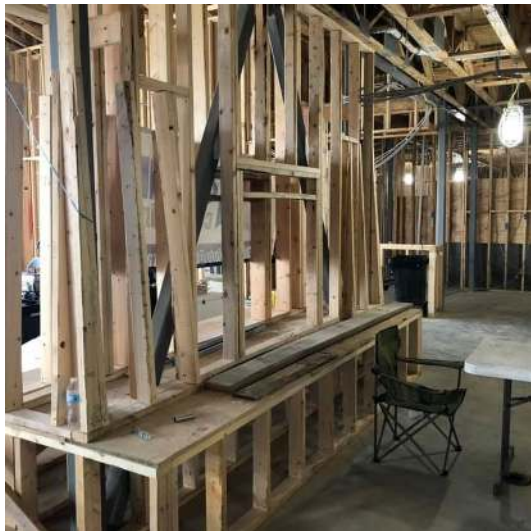

North Bend hosted their first Lunch and Learn this winter, and has been busy making some Food Deliveries to those unable to venture out at the moment.

Construction Progress

We loved watching the fireplace taking shape and sidewalks being poured!

Landscaping is now going in just in time for a beautiful spring!
